

Construction

*The path to build a career
in construction*

This qualification is designed to introduce you to recognised trade callings in the construction industry with the exception of plumbing.

This course covers essential skills such as:

- Carrying out measurements and calculations
- Conducting workplace communication
- Planning and organising work

CPC20211 Certificate II in Construction Pathways

This qualification provides an occupational outcome and a range of support tasks applicable to a majority of construction work sites.

Occupational titles may include:
builder's labourer.

The qualification has core units of competency that are required in many Certificate III qualifications. The elective options are structured to allow choice from a range of units aligned at Certificate III level and in total could provide meaningful credit in a construction industry Australian Apprenticeship.

The construction industry strongly affirms that training and assessment leading to recognition of skills must be undertaken in a real or very closely simulated workplace environment and this qualification requires all units of competency to be delivered in this context.

Completion of the general induction training program specified by the National Code of Practice for Induction Training for Construction Work (ASCC 2007) is required before entering a construction work site. Achievement of unit CPCCOHS1001A covers this requirement

COURSE ENTRY REQUIREMENTS

There are no entry requirements for this qualification.

Illawarra ITeC require students to have average english, reading and writing skills, or higher and should have completed Year 10 or above schooling, or have sound workplace written communication skills. Participants will be required to complete a Language, Literacy & Numeracy (LLN) Assessment prior to enrolment.

UNITS OF STUDY

To be awarded a full qualification in Certificate II in Construction Pathways - CPC20211 you will need to be assessed as competent in 6 core plus 6 elective units of competency (12 units of competency). A Statement of Attainment will be issued for units deemed competent if a full qualification is not achieved.

CPC20211 - Certificate II in Construction Pathways

UNIT CODE	UNIT NAME

Job Roles & Career Opportunities:

- Builders Labourer
- Trades Assistant
- Construction Assistant

DELIVERY

This course can be delivered as class based, mixed mode (workshops and distance/correspondence) and may also be eligible to be delivered as an on-the-job Traineeship, through VET in Schools or as a School Based Traineeship.

Recognition of Prior Learning (RPL):

The skills, knowledge and experience you have gained from your previous learning, work experience and life in general may be taken into account. To apply for Recognition of Prior Learning in one or more units you must clearly show that you have the equivalent and relevant skills, knowledge and experience of the unit or group of units.

Credit Transfer:

If you have successfully completed exactly the same unit of competency or a unit similar in content and outcome to one in your current course, your previous result may be transferred (Credit Transfer). Your assessor will decide whether you are able to receive an automatic Credit Transfer.

STUDENT SUPPORT

The Illawarra ITeC is committed to ensuring that all students are offered:

- Practical and reasonable support to complete their qualification.
- Guidance on career paths.
- Training and Assessment that is flexible to meet clients needs.
- Students will receive regular support and assistance from their mentor or trainer.
- Language, Literacy and Numeracy (LLN) is assessed prior to beginning a course and students are offered support through learning and assessment that may include both internal support and referral to external support providers.

Unique Student Identifier (USI)

It is a requirement that all students completing a nationally recognised VET Qualification or Statement of Attainment have a Unique Student Identifier (USI) prior to enrolment. If you have not yet obtained a USI, you can apply for it directly at <http://www.usi.gov.au/create-your-usi>.

COURSE FEES

Information about fees and charges will be discussed prior to enrolment with you and/or the third party (such as employer, school etc.) who will be paying the tuition fees and clients of ITeC pay an agreed fee prior to commencement of the program.

Some students may be eligible for concession fees or a scholarship (under NSW Smart & Skilled).

The course is also offered on a fee for service basis for people that are not eligible for subsidies under a government funded program.

Refunds are made in accordance with Illawarra ITeC's Refund Policy and Procedure.

Please contact ITeC and speak to one of our staff who will be able to provide further information regarding the course delivery and fees.
