Want a construction career in  
the entertainment industry?

Course covers set construction  
from conception through  
to completion.

You will gain the skills required  
to be a set builder.

You will learn traditional  
carpentry and joinery skills that  
involve the use of hand tools,  
power tools and wood working  
machinery.

This qualification can provide a  
pathway to an apprenticeship in  
carpentry, joinery or shopfitting.

*\*Training Funded under NSW Smart and Skilled.  
This training is subsidised by the NSW Government.*
