

Proudly Brought to you by Illawarra ITeC and South Coast Women In Building & Construction

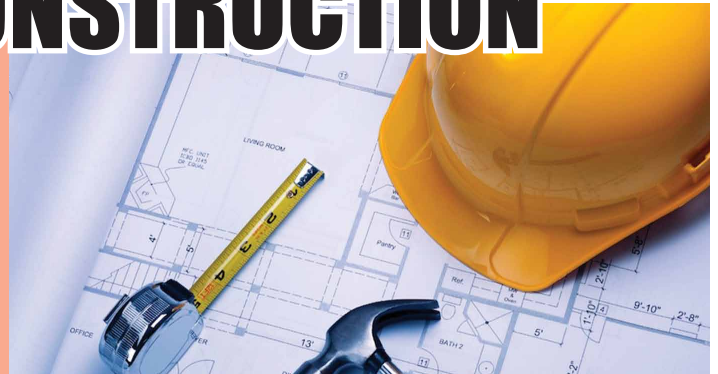

SOUTH COAST WOMEN IN BUILDING AND CONSTRUCTION

ILLAWARRA BEC
incorporating

Presentation by Fair Work Building and Construction (FWBC) Representatives

FWBC is a Federal Government Department and is responsible for ensuring cooperative, productive and harmonious workplace relations in the building industry. It is also responsible for educating and advising people working in the construction industry

Collect 1 CPD Point for builders and pool builders. Partners & Associates can collect up to 4 points per year on behalf of the licensee

Want to have a better understanding about FWBC and what they can do to help you? At the next SCWIB luncheon we will hear from Harry Faros and Julie Siciliano FWBC Investigators about :

- **Functions of the FWBC**
- **Outline of Offences including :**
 - **Unlawful Industrial Action**
 - **Threats and Coercion**
 - **Freedom of Association**
 - **Strike Pay**
 - **Right of Entry**
- **Compliance Powers**
- **Building Code 2013**
- **Any other matters arising**

Event open to Women and Men

Julie Siciliano FWBC Investigator

Since 1988, Julie has been working within the 'Employment' portfolio with the Federal Government. Since 1 October 2002, Julie has been employed with the Interim Building Industry Taskforce which is now evolved and named FWBC. Prior to that Julie was employed with the Office of the Employment Advocate (OEA) as an Investigator and an Inspector with the Department of Industrial Relations.

Harry Faros FWBC Investigator

22 years of experience with both the federal and NSW governments in IR investigations and compliance. Harry has been an Investigator with ABCC/FWBC since 2008. Prior to that Harry was employed by the NSW Department of Industrial Relations as an Industrial Inspector.
