SINGLE TOUCH PAYROLL ESSENTIALS WORKSHOP

Single Touch Payroll (STP) is a significant change to the way business owners report employee tax and super information to the ATO and will be compulsory for all businesses with payroll from 1st July 2019. Is your business ready for STP?

At this interactive workshop we will cover the concepts of STP and provide practical guidance on how to meet the upcoming requirements. Topics will include:

* What is Single Touch Payroll and why it was introduced
* STP lodgement setup and ongoing processing (using Xero demo)
* When lodgements should commence and what information is sent to the ATO
* How it will affect your employees and what you should tell them
* Options for businesses not currently using accounting software
